

**SUMMER 2026**

## EXPERIENCE IBIZA & FORMENTERA FROM THE SEA

Whether you're looking for a relaxed day on the water or a full exploration of the Balearic coastline, each journey begins at sea.

Cruise between Ibiza and Formentera, discover hidden coves, swim in crystal clear waters, or anchor for lunch along the shores of Formentera. From quiet moments in secluded bays to long, sun-filled afternoons with friends, every detail is shaped around your pace.

The islands reveal themselves differently from the water, more open, more private, and entirely yours to explore.

## OVERNIGHT CHARTERS

Why not extend your Balearic adventure with an overnight stay on one of our larger boats? Equipped with air-conditioning, spacious cabins ranging from twin to Queen and King sizes, open-plan lounge areas, ensuite bathrooms and kitchen facilities, you won't have to compromise on comfort or style.

A one-night, two-day charter enables you to explore further afield from our base in Ibiza Town, for example on an excursion to the rugged and mysterious coastline of Ibiza's north. From three days onwards, your Ibiza boat charter could take you all around the Balearic Islands. Why not make the most of your overnight charter and visit our sister islands of Mallorca and Menorca?

As always, your itinerary will be completely bespoke and tailored to your every desire!

# DINING EXPERIENCE

Ibiza and Formentera are most famous for their breathtaking beaches and crystal clear waters, but the food in the Balearic Islands is equally as spectacular. From lunch at one of the famous seaside restaurants to private catering on board, here are all the ways you can enjoy the most fabulous culinary treasures during your charter. To upgrade your drinks package, please ask our sales team!

## Restaurants

At Smart Charter we have connections at all the top beach restaurants in Ibiza and Formentera. From Blue Marlin Ibiza to Beso Beach and Juan Y Andrea in Formentera, we can book your table for you. As with everything, these hotspots get busy in the summer, so please let us know as soon as you can where you would like to eat to avoid disappointment.

## Takeaway

Want to enjoy your favourite restaurant's food in the comfort and privacy of your yacht? Ask us which restaurants deliver straight from beach to boat!

## Private catering on board

Dine on the waves and enjoy your food with 360-degree views of the Balearic Sea and the surrounding islands. Many of our larger boats have fully equipped kitchens, so you can easily bring your own private chef or let us arrange on-board catering for you through one of our trusted contacts.

## Bring your own

If you prefer to bring your own food on board - no problem!

# WATERTOYS

Whether you want to enjoy a relaxing paddle on the Balearic Sea, dive in and out of the waves like a dolphin or fly high in the sky, we have the right water toy for you.

From SUP Boards to Seabobs, Flyboards to eFoils and, of course, a selection of powerful Jet Skis, add any of these gadgets to your charter for some extra fun in the sun!
